

# To My Bestfriend

Dear [Friend's Name],

I'm writing to say goodbye, and it's harder than I thought it would be. We've had lots of fun together, like [mention a special memory] and our late-night talks. You've been an awesome friend.

I want to say thanks for being so kind and supportive. You've meant a lot to me.

Even though we're going different ways, our friendship is still strong. I'll be here, cheering you on from far away, and I hope all your dreams come true.

Take care and have a blast with every new adventure.

Best wishes,

[Your Name]
